

## MMCE PAPER SUBMISSION FORM

<b>Paper title:</b>	(Author's use only)
<b>Author(s), position, affiliation, e-mail address</b>	
<b>Contact author, e-mail address</b>	

MMCE covers a wide range of topics from Civil Engineering field and publishes, high quality standards, state-of-the-art papers from academic and research community, and industry as well. MMCE addresses both theoretical developments and practical applications related to Civil and Structural Engineering, Earth and Environmental Science, Engineering Thermodynamics, Transport Phenomena, Structural Foundations, Hydraulic Engineering domains.

**Please indicate (x) the field covered by your paper**  
(Author(s) use only)

<input type="checkbox"/>	<b>Civil and Structural Engineering</b>
<input type="checkbox"/>	<b>Earth and Environmental Science</b>
<input type="checkbox"/>	<b>Engineering Thermodynamics</b>
<input type="checkbox"/>	<b>Transport Phenomena</b>
<input type="checkbox"/>	<b>Structural Foundations</b>
<input type="checkbox"/>	<b>Hydraulic Engineering</b>

**Author (s) comments, recommendations and observations for Editors (if necessary).**

**Please e-mail this form and your paper to [buletinstiintific@utcb.ro](mailto:buletinstiintific@utcb.ro)**
