

CONFLICT OF INTEREST STATEMENT

It is the policy of the Danish Society of Forensic Medicine, which is a publisher of Scandinavian Journal of Forensic Science, that individuals who submit or review manuscripts for publication disclose any proprietary, financial, professional or other personal interests that may influence positions presented in, or the review of, the manuscript.

As a condition for publication and/or participation in the reviewing process, the it is required that each author and reviewer complete the following (this form may be reproduced as many times as necessary):

I, _____,
declare that I have no proprietary, financial, professional or other personal interest of any nature or kind in any product, service and/or company that could be construed as influencing the position presented in, or the review of, the manuscript entitled,

» _____
_____,«

except for the following:

Author Date:.....
