### Editorial Policy

The Macedonian Veterinary Review (Mac Vet Rev) is an Open Access journal. All articles are available free in both print and electronic form for a non-commercial purpose. Therefore, authors are asked to indicate their agreement to abide by an open-access license. The license permits any user to download, print out, extract, archive, and distribute the article, so long as appropriate credit is given to the authors and source of the work. The license ensures that your article will be as widely available as possible and that your article can be included in any scientific archive.

The editors assume that all author(s) listed in a manuscript have agreed with the following policy of the Macedonian Veterinary Review on its submission. If an author(s) should be added or deleted after submission of the manuscript, it is the responsibility of the corresponding author to ensure that the author(s) involved are aware of and agree to the change in the authorship. The Macedonian Veterinary Review has no responsibility for such changes.

The articles submitted to Mac Vet Rev must be previously unpublished and not be under consideration for publication elsewhere. If related work has been submitted elsewhere, then a copy must be included with the article submitted to Mac Vet Rev. Reviewers will be asked to comment on the overlap between related submissions.

The Macedonian Veterinary Review (Mac Vet Rev) reviews all the submitted manuscripts.

Only manuscripts with positive referee reviews are acceptable for publication in Mac Vet Rev, in both print and electronic forms for non-commercial purpose.

### Copyright Notice

Authors who publish with Mac Vet Rev agree to the following terms:

- Authors retain copyright and grant the journal right of first publication with the work simultaneously licensed under a Creative Commons Attribution License that allows others to share the work with an acknowledgement of the work's authorship and initial publication in Mac Vet Rev.

- Authors are able to enter into separate, additional contractual arrangements for the non-exclusive distribution of the journal's published version of the work (e.g., post it to an institutional repository or publish it in a book), with an acknowledgement of its initial publication in Mac Vet Rev.

- Authors are permitted and encouraged to post their work online (e.g., in institutional repositories or on their website) prior to and during the submission process, as it can lead to productive exchanges, as well as earlier and greater citation of published work (See The Effect of Open Access).
