____ ACCEPT: The manuscript warrants publication as an anonymous peer reviewed article. It is well conceived and executed.

____ ACCEPT WITH MINOR REVISIONS: The manuscript should be accepted after minor revisions, noted in the comments, are made. It will then be a sound contribution as an anonymous peer reviewed article. (The reviewer's comments must be sufficient for the author to respond to the reviewer's concerns.)

____ REVISE AND RESUBMIT: The manuscript does not warrant publication in its current form, but it will warrant publication as an anonymous peer reviewed article with suggested revisions. (The reviewer's comments must be sufficient for the author to respond to the reviewer's concerns.)

____ REJECT: The manuscript does not warrant publication as an anonymous peer reviewed article.
