INSTRUCTION FOR AUTHORS

*Nukleonika* accepts manuscripts (original, review and invited papers, technical notes, letters to the editors) from the fields of nuclear sciences especially of nuclear chemistry, radiation chemistry, radiation physics, chemistry of isotopes, radiobiology, and nuclear techniques in industry and environmental protection.

MANUSCRIPT SUBMISSION

Send two (2) copies of the manuscript with a cover letter, including the complete name, address, telephone and fax numbers, email address of the communicating author, and a statement that all authors have approved the manuscript, addressed to:

**Prof. Andrzej G. Chmielewski**

**NUKLEONIKA Editor-in-Chief**

Institute of Nuclear Chemistry and Technology

16 Dorodna Str., 03-195 Warsaw, Poland

E-mail: a.chmielewski@ichtj.waw.pl, nukleon@ichtj.waw.pl

Authors are encouraged to submit manuscripts electronically to the editor at the above email addresses. For review, sending a single file in PDF format or a single MS Word file as an alternative is allowed. Final accepted manuscripts should be a text file in MS Word and separate files for figure and tables.

**Statement.** Each manuscript must be accompanied by a statement that it has not been published elsewhere and that it has not been submitted simultaneously for publication elsewhere.

**Copyright.** It is a condition of publication that authors assign copyright or licence the publication rights in their articles to the Institute of Nuclear Chemistry and Technology (INCT). Authors are responsible for obtaining permission to reproduce copyrighted material from other sources. Documentation of such permission should be submitted with the manuscript.

MANUSCRIPT PREPARATION

Manuscript should be typed in Times or Times New Roman font double-spaced with broad margins (2.5 cm). The pages should be numbered consecutively throughout the paper. Underline any words or phrases to be emphasized by italics. Do not use desktop publishing software. Keep the document as simple as possible and avoid complex formatting. Avoid abbreviations, diagrams, and references to the text in the abstract. The manuscript should be presented in the order indicated.

**TITLE PAGE.** The first page should contain the manuscript’s title, the complete name of all authors (first name, middle initials, surname), the departmental and institutional affiliations and complete street or mailing addresses of all authors, the telephone and fax numbers and email address for the corresponding author, and the city, state and country where the work was performed.

**ABSTRACT AND KEY WORDS.** An abstract of not more than 250 words and up to six (6) key words in alphabetical order for coding and indexing are essential. It should be a factual, not descriptive, statement of study objectives, methods, principal results, and conclusions.

**TEXT.** The text should be organized into an introductory section, including the background and purpose of the study, and then into sections. In certain circumstances the nature of the report does not lend to this format.
ACKNOWLEDGMENTS. Individuals who were of direct help in the reported work should be acknowledged by a brief statement on a separate page immediately following the text.

REFERENCES. References should be numbered in the order of their appearance in the text. Journal abbreviations should be used according to ISO standard. References should follow the APA style.

Computer software

**Format:** Author(s). (Year). Title [computer software]. The location: Company.

**TABLES AND FIGURES.** Tables and figures should not be embedded in the text, but should be included as separate sheets or files. All figures and tables must be cited in the text.

**Tables.** A short descriptive title should appear above each table with a clear legend and any footnotes suitably identified below. All units must be included.

**Figures.** Figures should be completely labeled. Captions should be typed double-spaced on a separate sheet and numbered consecutively with Arabic numbers corresponding to the figures. Figures should be submitted as separate digital files (TIFF, JPG, EPS, PSD or CDR format), not embedded in text files. Special attention should be paid to focus and contrast. Symbols, letters, arrows, and numbers must be of sufficient size and contrast to be clearly recognizable when the figure is reduced to publication size. The optimal width for the figure is 8 cm.

**Color reproduction.** Color art will be reproduced in color in the online publication at no additional cost to the author. A limited number of illustrations in full color will be considered, but the author may be required to bear the cost of part or all of their reproduction.

**ABBREVIATIONS, SPELLING AND UNITS.** All nomenclature should be consistent, clear, unambiguous and accordance with the rules constituted in a given branch. Authors should, whenever possible, conform to the nomenclature, symbols and abbreviations established for chemistry and physics by IUPAC and IUPAP and used in the Chemical Abstracts.

**REVIEW**

All manuscripts will be subjected to confidential peer review by two experts in the field. On the basis of reviewers opinion, papers will be accepted unconditionally, accepted subject to revision or rejected.

**PLAGIARISM**

By submitting your work to *Nukleonika*, you warrant that it is your original work, and that you have secured the necessary written permission from appropriate copyright owner or authority for the reproduction of any text illustration, or other material. If any article submitted to *Nukleonika* is found to have breached any of these conditions *Nukleonika* reserves the right to reject that article and any others submitted by the same authors, and may also contact the authors’ affiliated institutions to inform them of its findings.

**PAYMENT**

Page charge of $60 (or 45 Euro) per page may be paid for articles published in this journal. Payment does not affect acceptance or scheduling of papers. Accepted manuscripts will not be forwarded to production until the publication charges are paid in full.
