MORAVIAN GEOGRAPHICAL REPORTS

DECLARATION OF AUTHORSHIP AND PUBLICATION

I / we¹, as the exclusive bearer(s) of the copyright of this article, declare that my / our article submitted to the journal Moravian Geographical Reports [MGR] entitled:

........................................................................................................................................................................................................

has not been published previously in any other periodical nor in a different publication², that it is not under consideration for publication elsewhere, that its potential publication is approved by all authors and tacitly or explicitly by the responsible authorities where the work was carried out, and that, if accepted and published, it will not be published elsewhere, in English or in any other language, without the explicit written consent of the MGR Publisher³.

By signing this Declaration, the Authors provide the Publisher with the license to publish their article in both printed and electronic versions of MGR, to distribute it, and to resell and disseminate it via third parties, i.e., the cooperating publishing companies and bibliographic databases, including Thomson Reuters (Web of Science), Elsevier (Scopus), Walter de Gruyter, Czech Geographical Bibliography (Geobibline), American Geographical Society Library, etc.

I/we am/are aware of that publication in MGR is free of charge and without honorarium and/or any share of the profits from sale and distribution of the journal for the Authors.

I/we am/are aware of my/our personal responsibility for potential infringement of this Declaration of Authorship and Publication.

¹ In the case of more than one author, the Declaration must be signed by all of them (add extra line[s] at the bottom of the document for other authors if necessary); also, please, print the full names of the authors.

² In cases where the article has been published in a limited form, e.g., in a different language or in some working documents or other materials, it is necessary to provide quotation of the original work, to note differences between both documents, and to state the standpoint of the original publisher concerning publication in MGR. To verify originality, the paper may be checked by the originality detection service CrossCheck (www.crossref.org/crosscheck/index.html)
