TRANSPORT AND TELECOMMUNICATION INSTITUTE

PUBLISHING AGREEMENT

Authors publishing with Transport and Telecommunication open journal retain the copyright to their work. We are required to obtain from authors copyright of papers in Transport and Telecommunication Institute from their authors for the possibility of their technical processing and subsequent publication and we would be grateful if you would confirm your acceptance by signing and returning the agreement below.

Your acceptance includes permission for us to use all or part of the figures, diagrams or photos which may be included as part of a paper (or abstract) design. We will not withhold permission for any reasonable request from you to publish parts of this paper (or abstract) in connection with any other work by you, provided the usual acknowledgements are given regarding copyright notice and reference to the original publication. If it is appropriate, the author's employer may sign this agreement, and, in any event, the employer may reserve the right to use the paper internally or for promotional purposes only, by indicating on this agreement.

The author warrants that the paper is the author's original work and has not been published before (if excerpts from copyrighted works, figures, diagrams, photos, trademarks or other such materials are included, the author will obtain written permission from the copyright owners and show credit to the sources in the manuscript).

The author also warrants that the paper describes genuine research or review work, contains no libelous or unlawful statements and does not infringe on the rights of others. Transport and Telecommunication Institute may assign any or all of its rights and obligations under this agreement.

If the work was prepared jointly, the author signing this agreement assumes responsibility for all authors for all components specified in this agreement undertakes to inform the co-authors about the terms of the agreement and signs this agreement on behalf of all authors.

The author agrees to publish his / her e-mail; place of work / organization name and address in abstracts, which will be published for the open access.

The Transport and Telecommunication Institute complies with the European Union’s General Data Protection Regulation (GDPR), values your privacy and protects the data that you may have shared with us. We pledge to:
- be transparent about the different types of information we collect and the way they are used
- keep your data safe and protected from unauthorized access
- refrain from sharing any personal information with third parties without your consent

I hereby assign to Transport and Telecommunication Institute, the copyright to my paper entitled:
