

## Guidelines for Reviewers

### *Contact*

The reviewers are addressed by the editor of the journal and have 2 days to accept the offer. Otherwise another reviewer is appointed and contacted. The e-mail sent to a reviewer includes an article without details about the author(s), and submission URL for logging into the journal web site.

### *Deadlines*

The reviewer has 14 days to write and submit the review. On the request of a reviewer the deadline may be extended (max 21 days in total).

### *Further process*

The reviewer can be asked to check the revised article whether the comments were incorporated.
