## DESCRIPTION

International Journal of Applied Mechanics and Engineering is an archival journal which aims to publish high quality original papers. These should encompass the best fundamental and applied science with an emphasis on their application to the highest engineering practice.

## JOURNAL SCOPE:

- ▶ Elasticity
- ▶ Plasticity
- ▶ Vibrations
- ▶ Mechanics of structures
- ▶ Mechatronics
- ▶ Plates & shells
- ▶ Hydrodynamics
- ▶ Magnetohydrodynamics
- ▶ Gas dynamics
- ▶ Rheology
- ▶ Thermodynamics
- ▶ Tribology

### Submit your paper:

Please submit your manuscripts to International Journal of Applied Mechanics and Engineering via email to:  
E.Walicki@ijame.uz.zgora.pl

### Benefits of publishing:

International Journal of Applied Mechanics and Engineering is abstracted and indexed in numerous relevant services worldwide. In addition, journal offers:

- ▶ Transparent, comprehensive and fast peer review;
- ▶ Efficient route to fast-track publication and full advantage of De Gruyter's publishing platform.

### Accepted formats:

English language original manuscripts, which have not been previously published in any journal, book, etc.

## UNIVERSITY OF ZIELONA GÓRA

International Journal of Applied Mechanics and Engineering is owned by the University of Zielona Góra, Poland. The University of Zielona Góra belongs to the elite group of 18 classical Polish universities. The mission of the University of Zielona Góra is to promote equal opportunities for the development of the region and its inhabitants and to increase the intellectual, economic and artistic potential by educating high-quality professional staff and conducting advanced research. The University aims to educate highly qualified specialists indispensable for the region, Poland and the united Europe.
